

# Our Local Story...

**Task:**

As a group, choose several primary sources from those you have examined and create a story board promoting a common theme, or what you identify with related to where we live.

**Story board Elements:**

Your Story board should have the following elements:

- Title
- At least six primary sources
- Captions explaining how your group connects to aspects of our local culture, history, natural environment, resources, or industries

You may draw your story board, or construct it using Powerpoint or chart paper.
